ASIANS IN CHARGE

HOW TO EARN
YOUR PLACE
AT THE
LEADERSHIP
TABLE

Title Highlights

Asians in Charge

Today, more Asian leaders are managing international businesses in their local countries. However, the top positions in many multinational companies in emerging or even developed Asian markets continue to be held by Western and foreign expats. Why is that so? This book reveals proven strategies for success, including:

- Disrupt tradition · Subvert the inferiority complex · Take on the leadership mantle · Win the present, build the future

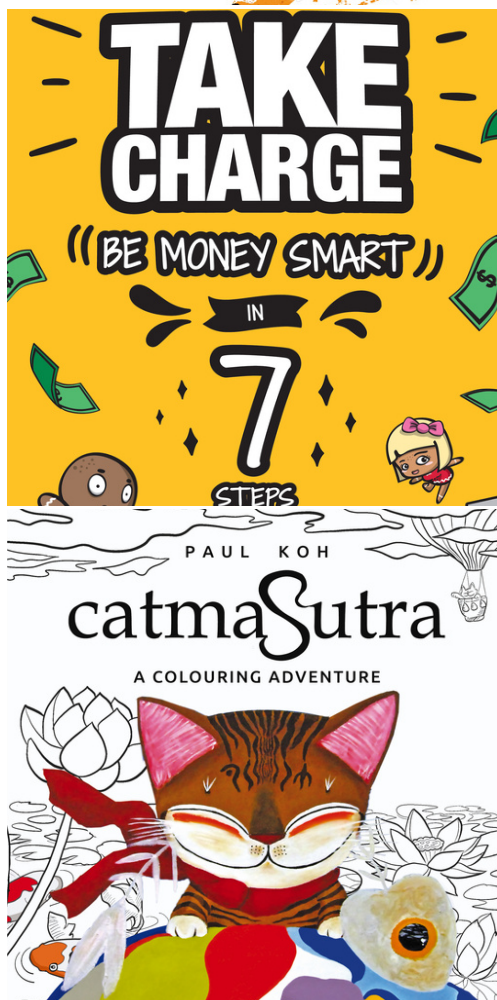

Take Charge: Be money smart in 7 steps

Targeted at teenagers and young adults, this book is an engaging and practical resource for introducing financial literacy to our youth – a vital topic in today's world of instant gratification, easy access to credit, false promises of riches, and even financial exploitation by internet 'financial gurus'.

catmaSutra

From the artist of the popular catmaSutra art series comes an exciting activity book. A colouring adventure awaits you through the tongue-in-cheek and unexpected pages of the irreverent catmaSutra cat! Infused with positive karmic energy, the ever-grinning cat will awaken your creativity and inspire brand new me-changing adventures.
