Synopsis:

How do we explain to our kids that the playgrounds are closed and that they can only meet their teachers and friends on Zoom? Hear the story of how COVID-19 unfolded in Singapore from the eyes of a young child, as told by Professor Leo Yee-Sin, who leads a team of brave frontline workers battling the coronavirus.

Affiliation: National Centre for Infectious Diseases

List of Awards: -

Marketing Notes: This book features a collection of artworks illustrated by children between five and 21 years old. The artworks were submitted to the "Celebrating Our Healthcare Heroes" national youth art competition held in Singapore in 2021.

Supported by Singapore's National Healthcare Group, Killiney Kopitiam, Invictus International School, Science Centre Singapore, National Youth Council, Sassymama and the Institute of Materials Research and Engineering at the Agency for Science, Technology and Research, the competition received over 1,000 submissions.

The book was launched officially in Dec 2021 by Health Minister Ong Ye Kung at the Woodlands Regional Library
